This is the original email about scheduling the conference call. Another person from the City, Mauricio Arreola, was on this morning’s call and seems to be the person in charge of overseeing the Big Belly purchase and installation.

Hi Ellen,

Are you available for a conference call with the Big Belly vendor on Monday, 7/16/18 at 10 AM? They would like to discuss BID’s needs on the Big Belly so they can move forward with procurement and delivery.

Please give some alternate date and times if 7/16/18 is not available.

Thanks,  
-George

Hi Ellen,

The Little Tokyo BID logo we received is too small to wrap the entire bin. Do you have a designer which can compile a bigger logo, perhaps with an image that's representative of the Little Toyko District?

See attached samples of previous logo/wrap designs.

Thank you,

Good morning Abdullah,

The manufacturer recommends adding more logos/wraps to the bins to minimize graffiti. Attached and below are some examples nearby areas have used. Is there a design team you guys go to for this type of work? Please advise.

Hi Jonathan,

As discussed, please see some local wrap examples attached: CD1 and DCBID. Below is a station in CD13 by Echo Park.

Thanks!

Dan

Daniel,

Please see attached RFI #008 for the logo they would like on the trash bins. RFI #007 has the locations as well. I will give you a call to elaborate.

Thank you,

Jonathan Rodela
